

We trust you are enjoying your visit to The Walk.  
As you're reading the back of the menu either  
conversation has run dry or you'd like to know  
a little more about us...  
obviously it's the latter. So welcome to The Walk...

If this is your first time then congratulations on finding us;  
if you're a returning friend then thank you..

We work hard to make The Walk experience as relaxed  
and enjoyable as possible from the produce we source,  
the way it is prepared through to the ambiance and the  
way you are served. We are a new business and each  
day we learn, especially from your feedback, so please  
let us know your thoughts.

### The Food...

We use only the finest, and where possible, locally  
sourced produce - whether it's the 30-day-dry-aged  
Sirloin from Price & Fretwell, fresh out the ground veg from  
Maxey's or the shore-to-door seafood from Nottingham  
Seafoods, we don't compromise on quality.

Then there's the cooking bit, the food in front of you  
(or you're about to order) has been cooked with passion  
and award winning flair.

### The Drink..

Our coffee (if you're enjoying a cup then you'll know what  
we mean, if not then you've got to try it) is from the  
Basford based, Lee & Fletcher. With the best selection of  
beans from around the globe it's hard to pinpoint a  
favourite so we let you decide by stocking them all on a  
rotating basis.

Our alcoholic selection comes from local independent  
drinks merchant Indigo. We have the very hard job of  
personally selecting the finest wines through a rigorous  
tasting process (it's a hard job but your complete  
satisfaction comes first!)

So that's us in a nutshell. We're probably only a few feet  
away from you so if you'd like to continue the  
conversation then we'd be more than happy to oblige.
